AFFIDAVIT OF PETER T. TROUTMAN

PERSONALLY APPEARED BEFORE ME, PETER T. TROUTMAN, who upon
being duly sworn deposes and states as follows:

1. I am the son Gene Troutman. I am 21 years old. I am a student at Clemson University. I currently reside at University Ridge Condominiums, 108 Daniel Drive, Unit 303, Clemson, SC 29631. I am providing this Affidavit to be included in my father's Amended Grievance.

2. I have lived at #303 University Ridge with my father since August 2006. My father would stay at the condominium Sunday or Monday nights through Thursday or Friday nights. Our condominium is next to the University Visitors Center and very close to Sikes Hall.

3. On work days I saw my dad leave for work between 7:00 and 7:30 am. Some days he would come home for lunch and I would join him. He usually took about 30 to 45 minutes for lunch. After lunch he would work until about 7:30 pm. When Trustee meetings were being planned, he would very often work until 8:30 or later and often on Sunday afternoons.

4. I often helped my mother and father stock the Trustees' Stadium Box. I would be allowed to attend the home games in this box. My father would be working the entire time and would rarely sit to watch the game. After the game my father and mother would stay and put things away and see what would be needed for the next game. They would bring clean wine glasses to each game.

FURTHER, YOUR AFFIANT SAYETH NAUGHT.
